

PROGRAM OVERVIEW

The Erie Ambassador program is designed to give participants a behind-the-scenes look at some of the Erie area's assets. The course provides insight into a variety of areas within our region. Areas highlighted throughout the program include history, tourism, cultural experiences, academia, economic development, government and civic engagement.

Erie Ambassadors will learn about the efforts taking place in our community and participate in leadership training to develop skills to speak about what they learned and assist the Erie Regional Chamber and Growth Partnership in disseminating information about Erie's transformation to the general public and to assist at future ERCGP events. Erie Ambassador Graduates are expected to be ambassadors for the hard work taking place to secure Erie's future as a thriving community.

The program begins April 16th and runs through June 4th. Sessions will typically be held on Wednesday mornings from 8:15 – 11:30 a.m. Times will vary based on the week's topic and location. Please note: The first and last week will have double sessions. One in the morning and one in the evening. On April 16th the sessions will be 8:15 – 11:30 a.m. and 5:00 – 7:00 p.m. June 4th will be a little longer of a day. The morning session will be 6:00 – 10:30 a.m. and the evening session will be graduation. Time TBD.
